

**THE PASTORAL EPISTLES.** A new Translation with Introduction, Commentary and Appendix. By J. P. Lilley. Edinburgh: T. and T. Clark. Imported by Charles Scribner's Sons. 1901. 12mo. Pp. vii., 255. 75 cents net.

This volume is the latest to appear in the series of "Handbooks for Bible Classes and Private Students," edited by Marcus Dods and Alexander Whyte. It is not a large book, but it is packed with scholarly work. The most obvious criticism is that it has over stepped the limits of "Bible classes" and has entered the field of the professional student and of the minister. It contains extensive introductions in which many critical questions touching the author and his views are discussed at length. The commentary on the text of the Epistles and Timothy and Titus is full and vigorous, and in several appendices some supplementary points come in for discussion. As a whole,

**the volume is one of the best on the subject in  
existence: forceful, clear, decided, and good.**
