

## THE DRAMA SHELF

*"Fata Morgana"* by Ernest Vajda (Doubleday, Page). This cruel comedy of adolescence makes painful if interesting reading.

*"The Potlers"* by J. P. McEvoy (Reilly, Lee). A fine American comedy well worth reading or seeing.

*"Ayuli"* by Laurence Binyon (Appleton). As good as most modern verse dramas.

*"Saint Joan"* by George Bernard Shaw (Brentano). Mr. Shaw's apology for the Maid of Orleans.
